Topographic Branch, MIS, War Department, Washington, DC, 18 April 1946.

TO: Chairman, Joint Intelligence Study Publishing Board, 2145 C Street, NW,
Washington, DC (Attention: Lt. E. L. Ullman, USNR, Secretary).

The Topographic Branch feels that Chapter II, Military Geography, of all of the JANIS publications, Supplements to Chapter II, and that portion of Chapter I, Brief, relating to Military Geography may be lowered in classification from "RESTRICTED" to "FOR OFFICIAL USE ONLY." The only exception to the above would be JANIS 76-1 which, in the light of the special restrictions on the photography included, should retain the classification of "RESTRICTED."
